- 1 (Excerpt from State v. Stough hearing held October 8,
- 2 2019, before Hon. James L. Conlogue)
- THE COURT: And Mr. Stough, if you will come
- 4 on back up?
- We're back in State of Arizona vs. Brian
- 6 Stough. Mr. Stough is present, counsel are present.
- 7 Counsel, your thoughts?
- MR. GUTIERREZ: Yes, your Honor.
- 9 Speaking with Mr. Stough, with all due respect to the
- 10 Court, Mr. Stough believes that it's in his interests that
- in terms of impropriety based on the players involved and
- 12 he feels that to give him a fair shot at trial, again,
- 13 it's going to come down to his word versus Mr. Bays'
- 14 words. He wants an open-minded judge related to the
- 15 entire proceedings.
- THE COURT: Okay. Now, Mr. Bays has
- 17 practiced probably before all the judges here.
- And Mr. Lindstrom, do you have any thoughts
- 19 on this?
- MR. LINDSTROM: Your Honor, I actually
- 21 disagree with the termination of you presiding, there
- 22 isn't any impropriety. The prosecutor in the case is
- 23 actually someone who doesn't know Mr. Bays at all, he's
- 24 a brand new prosecutor as of a few weeks ago, and the
- 25 State's position is that we would like you to stay on,

- and I don't believe that you being presiding over this
- 2 case presents any kind of impropriety. Thank you.
- THE COURT: One of the things that I think
- 4 is very important, particularly in a criminal case, is
- 5 that the parties believe that it's fair, and Mr. Lindstrom
- 6 makes a good point is that I won't be the one making
- 7 credibility assessments, it's going to be for the jury,
- 8 but if Mr. Stough is convicted and believes that the
- 9 process was unfair because I was involved in it, that's
- 10 not acceptable to me. And I apologize, I did actually
- 11 think it was going to resolve by agreement and so
- 12 I hadn't looked at the victim information.
- But the delay caused by this is attributable
- 14 to Mr. Stough, but at Mr. Stough's request, I will have
- 15 this assigned to another division, and I think that if the
- same issue comes up with another judge here, probably
- 17 would need to take it up.
- I can put in here, however, it was because
- of the identity of the victim is the reason that the
- 20 request is being made and so that another judge may or
- 21 may not want to be involved.
- MR. GUTIERREZ: Does the Court have pro-tems
- 23 in this matter?
- THE COURT: Sure, we have a full-time
- 25 pro tem and that judge hears the same kind of -- we don't

have any volunteer pro-tems or anything along those lines, judges that come in. We'll see how other judges here feel, and if you need to get a judge from a different court. All right. So Mr. Stough, you need to maintain contact with your attorney, and the matter is referred to the court administrator for reassignment to a different division, and I'll make sure that the court administrator knows it was because of the victim in the case. MR. GUTIERREZ: Thank you. THE COURT: Anything else for today, counsel? \* \*
